EXAMINER'S AMENDMENT

1. The drawing filed on 6/30/00 has been objected by examiner.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
3. Authorization for this examiner's amendment was given in a telephone interview with Mr. Bangor (Reg. No. 34,768) on 2/15/06.
4. Please amend the claims accordance to the attachment in the e-mail, filed by applicant on 2/15/06.

REASON FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance:
 - a. Purtilo and Srivastava do not expressly teach or render obvious the steps of triggering a call of a called first component of the several components by call information disposed in a docking point of a calling second component of the

several components, and disposing from the called first component, second data into the calling second component, wherein a target to which the second data is deposited within the calling second component is selected according to a definition of the called first component, when taken in the context of claims as a whole. Moreover, evidence for the modifying the prior art teachings by one of ordinary skill level in the art was not uncovered so as to result in the invention as recited in claim 1.

b. Puritilo and Srivastava do not expressly teach or render obvious the steps docking points correspond to an inherent parameter determined by a definition of the further component, and docking point was found by entering call information at each docking point found, the call information indicating the further component, when taken in the context of claims as a whole. Moreover, evidence for the modifying the prior art teachings by one of ordinary skill level in the art was not uncovered so as to result in the invention as recited in claim 10.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuong N. Hoang whose telephone number is (571)272-3763. The examiner can normally be reached on Monday - Friday 9:00 am to 5:30 pm.
